

# What's a D.U.I. Gonna Cost?

**Let's do the math...**

**Towing and impounding your ride. Bail. A high-priced attorney. Court fees. Fines. Alcohol safety ed classes. License reinstatement hearings. Insurance. The cost of D.U.I.? Around \$10,000.**

**If you're partying and driving, you will get caught. So get a designated driver. You can't afford not to.**
